

David P. “Squid” Quinn

Artist

As an artist, my process is constantly bouncing between composition, color theory, and rudimentary neuro-aesthetics. While I utilize a vocabulary of abstraction, my goal is to create a universally uplifting visual experience.

Education

BFA-Photography (Media Arts)-Pratt Institute 1996

MFA/MS-Photography/Art History- Pratt Institute 2008

Experience

1998-Present - Squid Ink - President

Photography, videography, and video design artist.
